III. STATEMENT OF CLAIMS

Claim I

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

Joe Biden and U.N. Officials have done nothing to remove Communist China from the U.N. Security Council.

Communist China and its officials at the U.N. refuse to remove themselves from the U.N. Security Council.

The aforementioned have made no effort to expel Communist China from the U.N.

Claim II

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

The backbone of Communist China's industrial strength is slave labor and unregulated factory emissions, which

Create an anti-competitive global business environment leading to taxes sucking up Federal tax dollars as welfare payments because all the factory jobs are in Communist China and not America.

The unregulated factory emissions lead to global health conditions, including asthma and cancer. My cough right now is a direct result of Communist China, and the U.N., because China's Veto power on the Security Council makes nations -- including the United States -- afraid to challenge China's illegal actions.

Claim III

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

(If you have additional claims, describe them on another piece of paper, using the same outline.)

IV. EXHAUSTION OF ADMINISTRATIVE REMEDIES

I have filed for administrative relief as to all claims in Section III and have concluded all administrative appeals available to me.

☒ Yes

☐ No

V. RELIEF

State briefly exactly what you want the court to do for you and the amount, if any, of monetary compensation you are seeking. Make no legal arguments. Cite no cases or statutes.

I am seeking one American dollar cash, for pain, suffering and psychological abuse caused by Communist China and the United Nations, and their co-conspirator Joe Biden

China's removal -- permanently -- from the U.N. Security Council.

China's expulsion from the U.N.

America leaving the U.N. until China's seat at the U.N. is revoked.

I declare under penalty of perjury that the foregoing is true and correct.

Signed this 4th day of June, 2024.
